### Leave a Legacy: Celebrate National Donate Life Month 2026!

April has arrived, and with it comes **National Donate Life Month**—a time to raise awareness about organ, tissue, and cornea donation; honor those who have given the gift of life; and inspire others to join the donor registry. This year's theme uses trees as a symbol of life and connection. Just like trees grow and support each other in a forest, donation connects people – donors, recipients, and their families. Like a tree that grows and stands for generations, a donor's gift leaves a lasting legacy of hope and life.

At **[ORGANIZATION NAME]**, we are proud to join the thousands of organizations and individuals dedicated to saving lives through donation and transplantation.
